

Writing Instructions

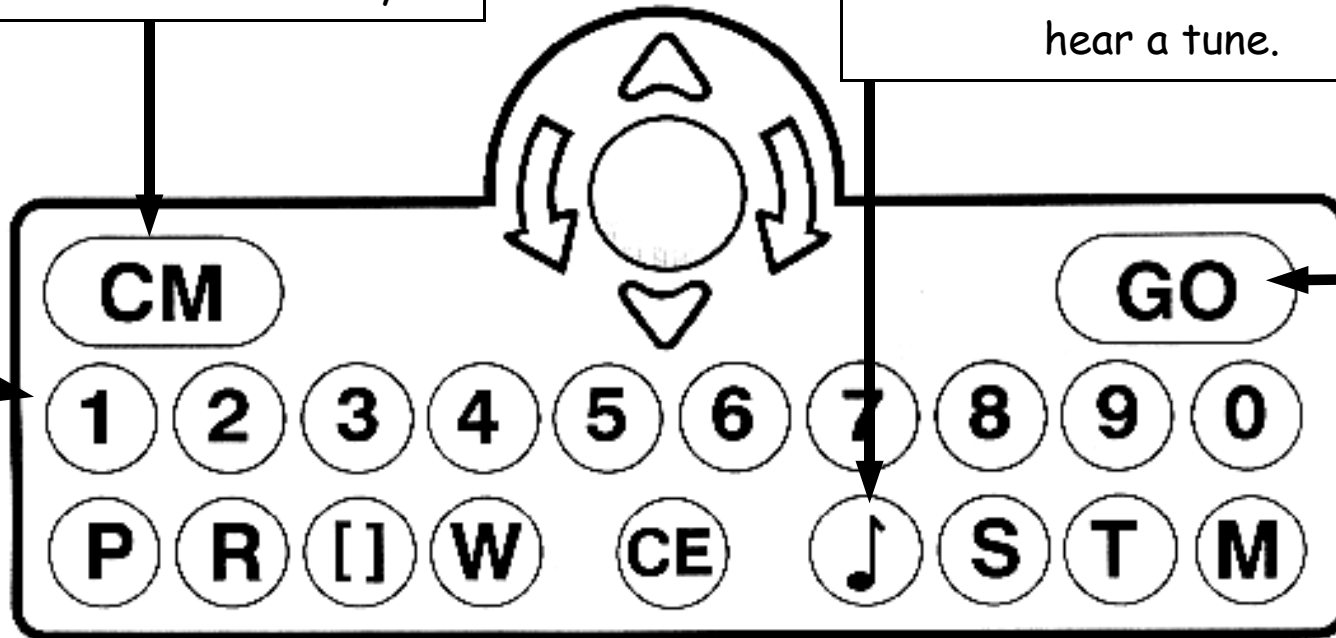

How to make Roamer play a tune

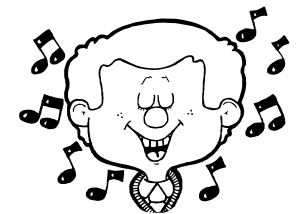

1 First we press this key to clear Roamer's memory.

2 Next we press this key so Roamer knows we want to hear a tune.

4 Last of all we press GO

3 After that we take it in turns to press 2 or 3 number keys each until we have made a tune

Roamer and Literacy (speaking and listening)

To follow simple instructions; To give simple instructions

To share ideas to compose an instruction before writing it down.
