 The cow jumped over the moon.

 To see such fun
 And the dish ran away with the spoon.

I'm a little teapot short and stout
 Here is my handle, here is my spout
 When the water's boiling, hear me shout,
 Tip me up and pour me out.

I'm a little bird
 I'm cute and fat.
 I like worms.
 But I don't like cats.
 When I see a cat come out to play,
 I spread my wings,
 And I fly away!

I'm a little fishy, watch me swim
 Here is my tail and here is my fin,
 When I want to have fun with my friends,
 I wiggle my tail and I dive right in!

The engine chugs along,
 The engine chugs along,
 Up and down the mountain tracks,
 The engine chugs along.

The train goes click, click, click,
 The train goes click, click, click,
 Up and down the mountain tracks,
 The engine chugs along.

The steam blows in the air....
 The passengers chatter, chatter....
 The babies scream and shout....
 They all ride the train....

The whistle goes woo, woo,
 The whistle goes woo, woo,
 All across the mountain tracks
 The whistle goes woo, woo!

Twinkle, twinkle, little star,
 How I wonder what you are.
 Up above the world so high,
 Like a diamond in the sky.
 Twinkle, twinkle, little star,
 How I wonder what you are!

Then the traveller in the dark
 Thanks you for your tiny spark;
 He could not see which way to go,
 If you did not twinkle so.
 Twinkle, twinkle, little star,
 How I wonder what you are!

Pretty balloons up in the air,
 Lots of colours we see there.

 Can you see the colours too?

 Lots of colours we see there.
