How will your story begin?

Last week Tom went fishing but his day out wasn't what he had expected at all!

Anything at all could happen to Tom in your story. He could have any adventure you want him to. He could meet any kind of magic along the way. He might have a problem to solve.

All you need is your imagination!

What will happen in your story?

As he walked down the path towards the stream, Tom was whistling to himself and thinking about all the big fish he would catch for tea.

He wasn't really looking where he was going so it was a big surprise when he bumped into a wizard.

Tom could hardly believe his eyes!
The wizard looked very, very unhappy.

How will your story end?

Tom had an amazing adventure but in the end he wasn't quite sure if it had been real or if it had all been just a dream.

Tom was sad because he knew he would never meet the little wizard again but he was glad that he had been able to help solve the wizard's problem.
