Miss Smith was writing on the board when something hit her on the forehead. The next thing she knew was that she woke up looking at a strange green alien creature.

On the parcel were the words 'SPECIAL ASSIGNMENT' but nobody knew what was in the parcel or the words meant.

Not so very long ago a dreadful thing happened. One minute the girls were quietly getting on with their work and the next they had all turned into chickens! Their teacher began to panic while the boys just laughed.
