

The Little Red Hen

Once there was a little red hen
Little red hen, little red hen.
Once there was a little red hen
Who found a grain of wheat

Who will help me plant this wheat,
plant this wheat,
plant this wheat,
plant this wheat?

asked the little red hen.

We can't help you plant the wheat
plant the wheat, plant the wheat,
plant the wheat, plant the wheat,
we can't help you plant the wheat.

asked the little hen's friends.

Who will help me cut the wheat,
cut the wheat, cut the wheat,
cut the wheat, cut the wheat,
who will help me cut the wheat?

asked the red hen.

And what do you think the answer is?

NO!

We can't help you cut the wheat,
cut the wheat, cut the wheat,
cut the wheat, cut the wheat,
we can't help you cut the wheat.

asked the hen's friends.

Who will help me go to the mill,
go to the mill, go to the mill,
go to the mill, go to the mill,
who will help me go to the mill?

asked the red hen.

We can't help you go to the mill,
go to the mill, go to the mill,
go to the mill, go to the mill,
we can't help you go to the mill.

asked the hen's friends.

Who will help me make the dough,
make the dough, make the dough,
make the dough, make the dough,
who will help me make the dough?

asked the hen's friends.

Who will help me bake the bread,
