How many of these things can you do?

These instructions have got muddled up.
 Can you cut them out and stick them in the right order?

What to do

1. First fold the newspaper in half along its crease.
2. Then fold the newspaper in half again and open it up so the folded edge is at the top.
3. After that, turn down one corner of the folded edge until it touches the middle line.
4. Then do the same with the other corner.
5. Next, fold one bottom edge up over the triangles.
6. Then turn the hat over and turn up the other edge.
7. Last of all, decorate your hat.
