

# 215. Food Chains

## Food Chains Cards and suggestions for use

low quality  
samples only

### Using the picture cards.

- 4 x leaves
- 3 x earthworm
- 2 x seeds
- 2 x grass
- 2 x garden snail
- 2 x primrose
- 1 x each of the other 20 picture cards.

- Use the cards to talk about the feeding habits of animals.
- Sort into plants, herbivores, carnivores and omnivores.
- Use to pick out food chains.
- Play a game of food chains — like Happy Families but collecting three members of a food chain.

Actual size  
6 cards per A4 sheet

A vole eats seeds and plants.
