

(4) 24 poem posters all A4 size

Adapted from the minibeast PowerPoint

The great grey slug
Hides under a stone
I think I'd rather be a snail
And hide in my own home!

Creepy crawly caterpillar
Looping up and down,
Furry tufts of hair along
Your back of golden brown.
You will soon be wrapped in silk,
Asleep for many a day;
And then, a handsome butterfly,
You'll stretch and fly away.
