

Five little seashells lying on the shore;
Swish! went the waves, and then there were

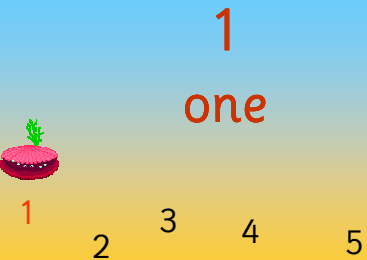

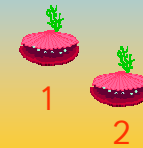

Four little seashells, cosy as could be;
Swish! went the waves, and then there were

Three little seashells, all pearly new;
Swish! went the waves, and then there were

Two little seashells sleeping in the sun;
Swish! went the waves, and then there was

One little seashell left all alone;
It whispered "SHHHHHHHH" as I took it home.
