

### Bruce is Just a Little Bear

Bruce is just a little bear  
who helped whenever I was scared.  
Whenever I'd cry, he'd be right there.  
And he always had happy feelings to share.  
I'd give him my sadness,  
he'd give me his gladness.  
And Bruce never made me sad.  
One thing though that gives me  
is that no one feels  
Bruce is

I never make a fuss  
On a bus.  
I never am a pain  
On a train  
Or a plane

I never see a goat  
At a  
at.

I never go too far  
In a car.

I like  
My bike.
