

91A. Light Source / Not Light Source Sorting Cards and Labels

56 sorting cards size as shown.

27 cards showing light sources
and 29 cards with pictures
(easily found objects) that are
not light sources.

Also 6 sorting labels:

A light source

Not a light source

Not sure

I guessed wrong!

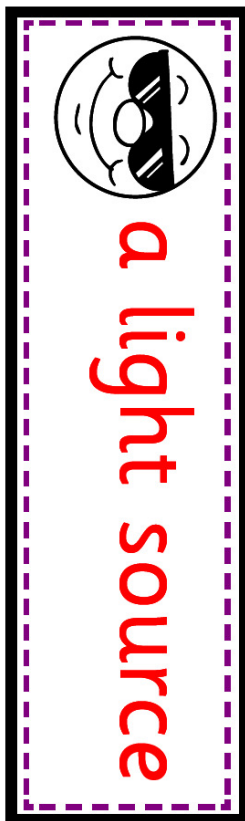

I tried hard

I was right!

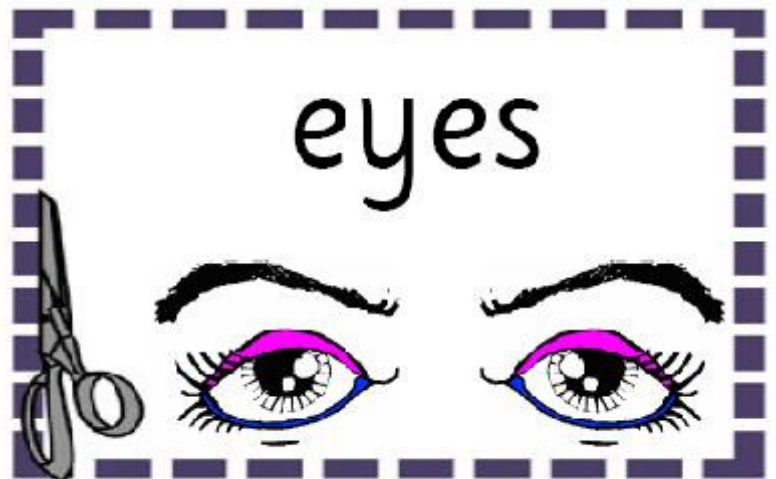

(2 labels per A4 sheet)

Low Quality
Samples

Example of
label shown
smaller than
actual size.

Children could use these cards for recording after experimenting with corresponding objects in a dark place or the cards could be used with large groups using Venn diagrams, Carroll diagrams, decision trees etc. Laminate and stick with Blu-tak or cut and stick directly onto sorting diagrams.
