

On some other planet  
near some other star,  
there's a music-loving alien  
who has a green estate car.

On some other planet  
on some far distant world,  
there's a bright sunny garden  
where a cat lies curled.

On some other planet  
a trillion miles away,  
there are parks and beaches  
where young aliens play.

*On Some Other plan*

The Earth was peaceful  
All was quiet  
Until the Martians landed  
They looked around  
For humans  
'Take us to your leader,'  
They demanded

So I took them to my mother  
And she cooked them in a stew  
So if you're thinking about invading....

Watch out!

It could happen to you.

11. What's in our solar system?
12. Here are nine planets that we know...
13. Are you lonely, Moon?

14. The Earth was peaceful....
15. What would you do if an alien landed on the playground?
16. Shooting star, falling star....
17. What shall we do? O what shall we do?
18. Night comes leaking out of the sky....
19. "Stay on the map," my mum said .....
